

Dear Friend,

Queen City Police Foundation is proud to be contributing to our community's security and safety. We are inviting you to support the Foundation this year. Funds directly serve public safety needs via the Burlington Police Department. This year's annual breakfast will again be held at the Hilton Burlington on May 20, 2011. Please join us along with many local notables for this always entertaining event. If you are not able at this time to become an official sponsor we welcome any donation you can make, and please consider purchasing tickets to the event at \$40 per seat or \$350 per table of 8 because we would love to have you attend.

The Foundation has raised funds in the past to purchase bicycles for the Burlington Parks Patrol, lease and purchase motorcycles to provide increased services to our community, purchase and install Mobile Data Terminals in police cruisers enabling officers to make safety decision for our community more quickly. **In 2011, our fundraising efforts will center on the Police Youth Activity League. The goal of the Police Youth Activity League is to increase the number of positive, productive interactions, positive role modeling, and mentoring opportunities between police officers and youth ages 11 to 17 by spending time at youth centers and engaged in support of youth activities.**

The Queen City Police Foundation would like to fund and supply scholarships that police officers will use to offer to kids who are interested in making good choices for an afterschool sport or program or summer activity that may be unaffordable or otherwise out of reach. Through our partnerships with Burlington-based programs such as: Burlington Parks and Recreation, Boys & Girls Club, Sara Holbrook Center and King Street Youth Center. Our officers interact and are connected to these at risk youth. Scholarships and grants could be used toward college programs or classes, or pre-college educational program, Burlington Parks and Recreation programs, YMCA programs or other area activities.

We need your help. Enclosed you will find a sponsor registration form. Thanks in advance for your consideration. Don't hesitate to contact me or Janice Valgoi at (802) 865-5202 or by email at cindy@delaneymeetingevent.com or janice@delaneymeetingevent.com with any questions.

Visit the website at www.qcpf.org for periodic updates and details for this event. We hope you will join us as a sponsor in 2011!

Best Regards,

The mission of the Queen City Police Foundation is to provide funding for innovative police department projects not available from the city's budget, in order to better serve the community, improve communications, and foster excellence in policing. In addition, the Queen City Police Foundation will provide assistance to families of officers who die while in service to the city. The Queen City Police Foundation is a 501(c)3 non-profit organization.
